① Congratulate the Formation of the white Man's Zone.

The 24<sup>th</sup>, 25<sup>th</sup> of Sep. 1943 is the glorious day of the white Man brothers. This is the day of the unification of all the white Man people into a zone consisting of 4 mountain districts. On the 19<sup>th</sup> and 20<sup>th</sup>, conference of the districts' representatives will be held. On the 24 and 25, the all-zone conference will be held to make decisions of important issues such as the preparation of armed insurrection and election of the V.M. zone committee. The conference will be attended by Tong Bo's representatives, B. C province's representatives, representatives from brothers of Mab Fien, Mab Do and the Hong Phong vanguard unit.

The formation of the white Man's zone is the first step to the realization of the national self-determination policy of the V.M.

The Example of the white Man brothers. The Man nationality is the most revolutionary, which is very loyal and dedicated enthusiastic to the organization. Their support to the newspaper V. N. D. L has been the most generous - from early this year until now.

On the flag presented by the <sup>white</sup> Man zone to B. C province there is a remarkable statement: "We, the white Man people are determined to become a vanguard army of Vietnam in this cause of national liberation."

We warmly hail the revolutionary spirit of the white Man brothers and we, any nationality, are determined to become the vanguard army of Vietnam in the coming armed insurrection.

The white Man brothers and the Newspaper. They are the good friends of the newspaper.
