① The Shining Example of the Youth is Ch. Tring province

Our urgent work at present is to prepare for armed insurrection. Firstly, we must unite the entire people. On this point, we have many comrades who volunteer to go and expand mass organizations everywhere.

The youth of Ch. Tr. province have understood this clearly so they are determined to expand mass organizations throughout Ch. Tr. province. The newspaper is glad to carry the following letter and on this occasion calls on the young people of Vietnam to try to realize the following slogans of the organization:

All people unite!

Prepare for armed insurrection!
