Opening festival for the first victory!

Letter of the youth of H.H. Thuan Province sent to the youth of B.L and C.T Province.

Recently, all volunteer committee, men and girls working in C.T and Q provinces have opened festival to welcome our first victory and discuss new tasks

After reading letter of congratulation from the national salvation Army O.S and from a number of youths in H.H. Th. Province. Mr X, on behalf of the organization made a speech praising the spirit of sacrifice for country of all soldiers and volunteers and highly appreciate the position of volunteering work in our campaign.

Comrade X especially admires the spirit of the youth of B. Chien

5, Hoa Thuan volunteer committee has encouraged people to contribute 6998 to provincial committee.

6, Minh Khai women volunteer committee has set up three bases in three provinces.

All agree to vote leading Tron phu volunteer committee to be "heroic volunteer" and although Tet is coming within few days, everyone volunteer to go on mission immediately, not joining their families in Tet festivals, because "lost country men love not Tet".

Before disolving, all volunteers took oaths under the flag.

The oaths.

Dear brothers and sisters!

We are a part of national Salvation army and number of men and girls in H.H. Th. Province receive the news that youths in two provinces B.C and C.T compete in volunteering to go on mission in four areas, we are very greatly admire you. As everybody knows, in preparing for armed struggle, the urgent task is to spread it to all areas.

We highly welcome this because the failure of the past uprising is due to not widely prepared. Learning experiences from the past, fearing no sacrifices and hardship we will embark on the way of preparing armed struggle.

"B. province is the revolution-
ary star in Viet Nam.
We must make it shine
to all central and high
lands!"

After that, Comrade B gave

Secret.

In the revolutionary work, the urgent thing is to keep Secret.

1, Dont let any secret out in the letter.

2, in speaking, you must be careful careful not leaking Secret.

3, keep documents secretly.

4, activities in localities must be in secret

5, In critical situation you must be ~~careful~~ exploring news from Imperialism, guarding villages, be careful in walking and sleeping

6, dont terrorize individuals.

In areas that Imperialism pay more attention, you must be more careful, keep strictly Secret. Secret but still carry activities.

Communication

while Imperialists repression, in some areas, revolutionary activities cant carry on as usual, but communication cant be late or disrupted.

News inside the country.

1, Recently in Thai Nguyen province there was a ~~success~~ successful struggle against recruiting VN Chien people often forces to go hard labour. Every village young man has to pay 20kg of rice to district chief. Every day village young men have to do hard labour for 12-13 hours. At night they were locked in.

concentrated camp. Because they are too miserable they have to province chief to protest.

In the way they meet district chief, he asks them earnestly not to go to the province chief but they resolutely determine to go. The result is successful:

a, Chan district chief has to release people from doing hard labour.

b, He has to return the rice he had taken from the people.

c, he has to pay the people the salary

d, he was blamed.

World News.

1, The Red Army has crossed the borders of Poland and militants have risen up with the Red Army to drive German fascists out of Poland.

In some areas, the Red Army have advanced near to the borders of Panama

2, In Italy, the British and U.S troops have landed on Lamezia. The fighting there is very fierce.

3, In France, the government ordered people along the coast move into deep land in case the British and U.S reach the area.

4, Japan is getting critical and critical.

They are recruiting troops everywhere such as Malaysia, the Philippines --

At the same time they increasingly plunder the people.

if communication in
an area is late or
disrupted. Not only
harm that area but
also harm many areas.
Ladies in charge in
areas must ~~look~~ to
see to this. If it is
to be done you must
have two things:
first: must have
many reserved
messengers
Second: must have
many reserved ~~lines~~
liaison lines

Support the news-
papers.
because the news paper
covers many articles,
so in the column
"Support the news-

2) At the same time,
also in Thinhuyen,
there is a struggle against
planting castor-oil plant
and coconuts. It is
successful one.

Remembering
Comrade Dai Xuan
Comrade Dai Xuan, the
leader of propaganda
group, was killed on
the way to mission.
He has become rev-
olutionary martyr.
He will be remembered
forever. we also
remember a lesson
that is caution, secret,
Do be too believable
to everyone.
To revenge for
Comrade Dai Xuan
we actively advance
forward.
